Work experience

Dates January 2004 →

Occupation or position held Research Professor

Main activities and responsibilities Research Professor (forsker I) 2004 →, and from 2000 – 2004 Senior Researcher (forsker II) at Institute for Social research in Oslo.

Currently principal investigator (PI) for “Conditions and impacts of welfare mix. Comparative analysis of policy making, public discourse and service quality”, funded by the Research Council of Norway 2015 – 2020. Previously PI for “Outsourcing of Scandinavian welfare societies? Consequences of private and nonprofit service provision for active citizenship” funded by the The Research Council of Norway 2012 – 2016. Leader for Work Package “Elaboration and testing of impact indicators” on the project «Third Sector Impact—The Contribution of the Third Sector to Europe’s Socio-economic Development» funded by EU’s 7th Framework Programme, 2014 – 2017. I have studied changes affecting civil society by analysing data from population surveys and local association surveys, as a part of the activities of Centre for Research on Civil Society and Voluntary Sector (<http://www.civilsociety.no/>) since 2008. I have also been involved in a comparative project called The Patterns and Values of Volunteering in the Czech and Norwegian Society (2009 – 2010).

Elected to serve on the Board of Directors for International Society for Third Sector Research (ISTR) 2013-2016

I have been involved in several comparative, social scientific research projects. I was included in UN Statistics Division’s Expert Panel for revising their “Handbook on Non-Profit Institutions in the System of National Accounts” 2013-2017. I was Norwegian coordinator and member of Network Council for “Civil Society and New Forms of Governance in Europe” (CINEFOGO), a Network of Excellence supported by EUs 6. Framework Program (2005 – 2009). I was in charge for updating the Norwegian part of the Johns Hopkins Comparative Nonprofit Sector Research Project (2006–2007). I was also Member of the steering committee for “European Voluntary Associations” (EVA), a NordForsk-supported comparative research-network (2004–2009). In addition, I have been involved in comparative studies of work and management, including a project on management in Scandinavia, and a network organized at MIT studying changes in employment relations.
